

2019 Boys Yearbook

A Message from Rabbi Becker

Dear Machane Miami,

I want to start this letter where it all began, What is in the store?

A person walks into the supermarket and looks around. He has so many choices. Do you take the loose wagon so you don't have to struggle to get your cart out? The flip side (we have all been there) is to take the loose cart but now you're stuck with the wobbly wheel! Choosing a shopping cart is sort of like choosing an icee at the end of the day. Once you pick your cart you realize that camp is filled with tons of fun activities. Each aisle has something else to offer. We were fortunate enough to be able to spend time running up and down the aisles of the supermarket called Machane Miami and no one was there to stop us.

Once we picked our smooth Mako speed cart we were on a track that no one could stop. Why do they put the milk in the back? I know - so you have to walk by the ice cream aisle! After our first day where we had parve, yes parve!!! gelato, I think that's what it's called, we were on our way. We stopped off to make sure we had our towels and other equipment for Mega Water Slides at Virginia Key Park. After establishing that we were ready to rumble, and for some reason the store was playing Eliyahu Hanavi (the Sruli Lipschitz version) we knew we had chosen a good store and a good cart. We bounced our way out of the ice cream aisle to pick up some hydraulic fluid for our bus ride to Rebounderz. Yes, many of us had a blast jumping into the huge pillow. FYI that was scary but fun, and neither Rabbi Rabovsky nor Rabbi Yachness were willing to make the trip up the stairs for the jump. It wasn't too high, there was no elevator. We then had an amazing trip to Uncle Bernies- not sure what that has to do with the pet food in the pet aisle but I do have 4 clown loaches. The Animal Show put us back in the right frame of mind for the pet aisle and who doesn't want to hold a snake? To make it real for some of the campers, we went to the arctic in Pines Ice Arena, so we would be prepared for the penguin exhibit at SeaWorld. Of course, at the end of every aisle, there was a guy playing guitar and giving out pieces of kokosh while singing about their favorite store. (Yes the camp song was awesome "It could be Mega Water Slides!) In case you're not sure, listen up because it may be your voice coming out of the loudspeaker.

We finally found some food and there was a huge debate whether the name of the store was Publix or Winn Dixie. Shkoyach to Pesach Winn Dixie Red for holding firm throughout the second day of color war. I still don't know if "No one shops at Publix they go to Winn-Dixie", however "Succos we waited all year" especially if you own an "ice box" ®. While in that aisle, we picked up baking soda and vinegar not sure what that is for? (cue Kaaaaabooooom!) and of course ping pong balls and big red cups. What else do you need? (Thanks Rabbi Yachnes!) After going to get the food, we need to make sure to have flowers for Shabbos so we headed down the flower aisle. Once again needing to choose which flowers to get, seriously why is that so hard, but hey life's like a supermarket ...

Some of us were able to hop on a bus to Orlando for an amazing trip to see Shamu and the rest of SeaWorld. If you weren't in Extreme yet, you will be soon! Next we sped over to the toy aisle. There were so many toys there that we started giving out double prizes to random people so we got to meet as many campers as possible!

The shuk is an aisle where they sell random things, they even have bowling alleys there. It actually worked out because it started raining!! We ended up staying late in that aisle and we almost caught a pop up at the baseball game, we even were there for an amazing come back! We also stayed for 9 innings - a first for Machane Miami! The last aisle as you are trying to walk out of the store is the candy aisle!! Candy is awesome!! Seriously, life is like ring pops, sour ring pops, freeze ring pops, all types of ring pops!!!! Finally at the end of the day as our shopping carts now appropriately named Kraken, Manta, and Mako are slowing down. We reflect as the icees are brought out with slow motion countdown music. Will you get a blue one? Red one? And I say Icees are like shopping carts, you will enjoy being in this store no matter what flavor icee you like. In camp Machane Miami we all had a blast in each aisle.

This was a summer for the ages!!!

I would like to thank the entire staff for working so hard to make sure each and every camper had a safe and super fun summer! You guys were awesome. Your campers and their parents truly appreciate your hard work!

To the campers!!! You guys came to camp ready to rumble and to have an amazing summer. Each of you gained a lot from meeting new friends and learning new skills.

I wish you all much Hatzlacha in Yeshiva this year and can't wait to see you back in Camp Machane Miami!!!!!!

MACHANE MIAMI CAMP SONG 2019

TTO: GOT IT ALL (YESH HAKOL)

Get up in the morning, my eyes wide open, jump out of my bed, can't wait till the day begins!
Put on my camp shirt, check my calendar, what will we do today, I am not sure?

It could be Mega Water Slides, or it could be Sports,
Can't wait to see "What's in Store!"

Machane Miami, what's in store for me?
Could it be, possibly, a great specialty?
Machane Miami, the place I want to be,
Where the action lasts all day, and my friends and I all stay, to play.

Oooooohhhhhh CMM...Oooooohhh CMM
CMM...CMM...CMM...CMM...

Now looking all around at the schedule I see, we have a trip today, it's the best of the week!
The grass is green on the fields where we play, but first some davening to kick off our day.

Next we have Kids in the Kitchen, then we have Art,
My summers off to a great start...

Machane Miami, what's in store for me?
Could it be possibly, it's time for Canteen?
Machane Miami, the place I want to be,
Kokosh on Friday, and my friends and I wait to sing...

Oooooooh CMM oooooh CMM

Just look at where we are, hanging out in the Florida sun,
Cuz all I want, is all I've got, and I've got it all...
Time goes by so fast,
When we're having such a blast,
I'm so happy with my choice, yeah happy with my choice... rejoice!

Machane Miami, what's in store for me?
Could it be, possibly, I'm finally Extreme?
Machane Miami, the place I want to be,
Where the fun lasts all day long, and I never want this summer to be gone.
Machane Miami, the place I want to be,
Machane Miami, the place I want to be,

Time goes by so fast,
When we're having such a blast,
I'm so happy with my choice, yeah happy with my choice... rejoice!

Machane Miami, the place I want to be,
Machane Miami, the place I want to be,
CMM.. CMM..CMM..CMM...
